

Monthly Descriptive Report of programmes and activities organized at Nehru Science Centre, Mumbai and its Satellite Units for the month of October, 2024

NEHRU SCIENCE CENTRE, MUMBAI

1. **National Wildlife Week:** NSCM celebrated the National Wildlife Week during Oct 2 – 8, 2024 with Science Film Shows in collaboration with Goethe Institut. During the celebration, five science film shows were organized, which attracted 609 children. The event aimed to raise awareness of wildlife conservation and engage the youth in understanding the importance of biodiversity.

2. **World Space Week:** As part of World Space Week celebrations during Oct 4 – 10, 2024, visitors were offered guided tours of the Aviation & Space Gallery. An open house quiz was held on 05.10.2024 on the topic of Space & Astronomy, with enthusiastic participation from 348 attendees. An online quiz, also focusing on Space & Astronomy, was conducted on 06.10.2024 with 99 participants. The sky observation program was held on 06.10.2024, where 30 participants gathered to learn about telescopes and celestial objects.

3. **Swachhata Hi Seva Campaign:** Throughout the month of October, films on various scientific topics related to cleanliness and hygiene are being screened as part of the "Swachhata Hi Seva" initiative. This ongoing film show aims to promote public awareness of cleanliness and its significance. A slogan contest is being held (10.10.2024 – 31.10.2024) to inspire creative expressions on the theme of cleanliness. Slogans have been collected through a drop box. 53 Open House Quizzes were conducted on the theme of "Swachhata" (cleanliness), with 2135 participants engaging in the challenge. Prizes were distributed to the winners, promoting the importance of hygiene and clean surroundings. A nukkad natak based on the theme of "Waste Segregation" was staged by the education department from 26.10.2024 to 31.10.2024. 65 students participated in the Painting contest held on 26.10.2024. A popular Science lecture titled "Waste management and Circular economy" was delivered by Dr A P Jayraman along with Science film on garment waste management was screened in collaboration with Goeth Institut. 255 students and general visitors attended the lecture. 31 students participated in the "Science from Scrap" workshop on 26.10.2024 and 86 participants enjoyed the Sky Observation session. Weeding of more than 300 files in Admin, Finance and Store sections and outdoor cleanliness drive in NSC campus have been carried out during this month.

4. **MSE visits:** Visits were conducted at Dnyanganga Primary Residency Marathi School in Parbhani on 03.10.2024, at Babasaheb Deshmukh High School in Banpuri on 09.10.2024, at Gandhi Prathamik & Madhyamik Shala in Parbhani on 10.10.2024, and at Scottish Academy CBSC School, Parbhani on 23.10.2024 as part of the Mobile Science Exhibition (MSE). The visits aimed to enhance scientific awareness among schoolchildren through interactive exhibits.

5. **3rd IOAA-Jr 2024:** India participated in the third International Olympiad on Astronomy and Astrophysics for Juniors (IOAA-Jr 2024) held in Kathmandu, Nepal during Oct 3 – 10, 2024. The 3 participants were selected among the 20 participants in the Orientation Cum Selection Camp (OCSC) held at Nehru Science Centre, Mumbai during May 2024. The Indian team, comprising three participants and two leaders, performed excellently. Mast. Sumant Gupta from New Sainik Sr. Sec. Public School, Noida, Uttar Pradesh, and Mast. Pranjal Dixit from Delhi Public School, Secunderabad, Telangana, secured gold medals, while Mast. Shashank Kaundilya from Central Public School, Samastipur, Bihar, won a silver medal.

6. Experimental Skill Test was held on 13.10.2024 in collaboration with BASE association involving six participants. This event focused on testing participants' practical skills in scientific experiments, furthering their understanding of experimental techniques.

7. Vigilance Awareness Week: All the staff members of NSCM took the pledge on 28.10.2024 to observe the Vigilance Awareness week to promote integrity, transparency and accountability in governance on the theme "Culture of Integrity for Nation's Prosperity". Webinar on "Cyber Security Awareness Month: Cyber Security in the Era of AI and 24 hours Online platform" was conducted by Curator Sumit Chatterjee on 16.10.2024, attended by 42 participants. 367 people attended the online Webinar on "Securing our Online World" by Mr Amit K Ghosh on 25.10.2024 and 398 people attended the hybrid lecture titled "Unlocking Readiness Plan" by Mr. Sukrit Ghosh on 26.10.2024.

8. Exhibit development: A new exhibit on "A journey through time of an ancient grain: Millets" was developed and installed at the Science for Children Gallery. Several new exhibits were developed and installed as part of the renovation of Hall of Nuclear Power Gallery at NSCM, titled "Story of Atom", "Fission & Fusion", "Peep into Atom", "Classification of Reactors", "Moderation of neutrons", and "Principles of Heat Transfer".

RAMAN SCIENCE CENTRE AND PLANETRIUM, NAGPUR

Inter-school Annual Science Quiz & Valediction

The Semi-final rounds of Inter-school Annual Science Quiz Marathi and English Medium Schools (2 nos each) were conducted at RSCN from 1st to 4th of October 2024, in which 32 students in 16 teams qualified in the quarter final rounds from different schools of Nagpur city participated. The Final rounds for both the mediums were conducted on 10th October 2024. The programme concluded with Valediction and Prize Distribution function. Dr. Jairam Khobragade, Director, Institute of Science, Nagpur was the Chief Guest & Shri Prashant Khandekar, AVSM was prominently present on the occasion. Rolling trophies to winner and runner-up schools, Trophies and certificates to winners students were awarded with the hands of the guests. The event was sponsored by Khandekar family in the memories of Late Dr. P V Khandekar on his 102nd Birth Anniversary.

World Space Week

RSCN in collaboration with Regional Remote Sensing Centre - Central (ISRO), Nagpur observed World Space Week on 8th October 2024 by organising an Elocution competition for high schools students on theme 'Space & Climate Change'. In all 11 students from different schools of Nagpur articulated their thoughts on the mentioned theme in Marathi, Hindi and English. The programme was followed by Prize Distribution and valediction function in which prizes and certificates were given away to winners. Dr. G. Sreenivasan, Scientist & General Manager, National Remote Sensing Centre - Central, Nagpur was the Chief Guest for the function.

Science Museum School Project

As a part of the Science Museum School Project, 35 underprivileged students from Maharashtra Adhyayan Mandir visited the Centre on 1st October 2024. The students were introduced to magnet and

its properties, types of magnets, its use in various fields along with hands on activities and practical demonstrations. Also on 8th October 2024, the students were taught about various rock types (igneous, sedimentary, metamorphic), minerals, ores using samples, a part of their syllabus. They also introduced to weathering process and impressions on fossils through hands on activities. The project is sponsored by M/s Nishchay Foundation, Nagpur.

Visit of Cancer affected Underprivileged children

Cancer affected Underprivileged children visited Raman Science Centre & Planetarium, Nagpur on 15th October 2024. Dept. of Radiation Oncology, Govt. Medical College and Hospital Nagpur organised this visit. These children enjoyed edutainment in Science park, Science exhibition halls, Science on a Sphere show, Planetarium show and 3D Science show etc.

Special Sky Observation Programme

A special Sky Observation Programme for observing Moon, Venus, Saturn & comet Suchichan was organised for visitors on 14 & 15 October 2024 at RSCN. The programme received very good response from visitors and students. Around 93 people took an advantage of this unique opportunity.

Sky Observation Programme (outreach)

An outreach Sky Observation Programme was organised by Raman Science Centre & Planetarium, Nagpur at Balasaheb Thakre International Zoological Park, Gorewada, Nagpur for for the public on 19 October 2024. Around 235 visitors observed Venus, Saturn and Moon through telescopes arranged by the centre.

Swachhata Hi Seva Campaign

Swachhata hi Seva campaign was promoted by Raman Science Centre Nagpur by organising programmes for the staff, students and visitors. On 1st October 2024, Exhibit Development Laboratory / workshop & Office areas were cleaned by the staff members of RSCN. The cleanliness drive was followed by a popular talk given by Shri M .K. Panda, PC, RSCN on theme 'Swabhav Swachhata - Sanskar Swachhata' for RSCN staff members. On 2nd October 2024, National Swachhata Diwas was observed by oragnising an Open House Quiz on theme 'Swachhata Hi Sewa' for visitors. The prizes of various activities organised during the Swachhata Pakhwada (14th September to 2nd October 2024) were awarded on the concluding day during valediction function.

JIGYASA Online Science Quiz

Raman Science Centre in collaboration with National Environmental Engineering Research Institute and Vigyan Bharati Vidarbha Pradesh, organised JIGYASA Online Science Quiz 23 October 2024 during 4 pm to 4.30 pm. The Quiz was planned as a precursor event of 10th India International Science Festival (IISF-2024). 45 students from class 8th to 10th participated in this online quiz.

Vigilance Awareness Week

As a part of Vigilance Awareness Week (28 October to 3 November 2024), Vigilance Pledge was taken by the staff members of RSC, Nagpur on 28 October 2024, followed by a sensitization programme on the theme 'Culture of Integrity for Nation's Prosperity'. The programme was delivered by Shri Manojkumar Panda, PC, RSC&PN. Also all the staff members (17) took online pledge and shared their certificates in the office communication group.

REGIONAL SCIENCE CENTRE, BHOPAL

1. Innovation Hub Programmes

Innovation Hub of RSC, Bhopal organized 09 Orientation sessions on the topics such as 3D Superbug, Sindhu Saraswati Civilization (Class-2), Video Editing (Class-3), 3D Sindhu Saraswati civilization (Class -3), Video editing (Class -4), 3D Sindhu Saraswati civilization (Class -4), Video editing (Class -5), Climbing Butterfly, Space Tours & Missions . A total of 33 students participated in all these sessions. A total of 6 exposure visits with 260 visitors was also conducted during the period.

Participation in State Level Wildlife Week Celebration

RSC, Bhopal participated in the State Level Wildlife Week Celebration organised by Van Vihar National Park & Zoo in their premises from Oct 01-07, 2024. As a part of the programme, special SDLs, 'Make & Take' programmes, Innovation Hub activities were conducted during these days. A total of 2668 visitors including students, teachers, housewives and the general public visited the exhibition during these days.

World Space Week 2024

RSC, Bhopal celebrated the World Space Week 2024 during October 4-10, 2024. As a part of the celebrations, programmes viz: Special Film Show on Space exploration, Special Stargazing with Telescope, Sunspot Observation with Safe Media, Special Taramandal Planetarium Camp, Demonstration of Water Rocket, Special Art & Craft Programme (Topic: Chandrayaan-4 Moon Sample Retriever Module) etc. were organised during the period among students and the general public. Around 110 participants participated in all these programmes.

Sci-Birthday

RSC, Bhopal organised 1 no of Sci-Birthday programmes on October 12, 2024. A total of 50 people participated in the programme. Various educational programmes such as the Liquid Nitrogen Show, Taramandal Show, Sky Observation Programme, Gallery Tour, Dinosaur Corner Tour, and Make & Take Workshop etc. were conducted for the participants during the programme.

Special Interactive session with Astronomy with teachers from Vidya Bharati

RSC, Bhopal organised a special interactive session on Astronomy with Master Trainer teachers of different schools of MP under Vidya Bharati auspices on October 25, 2024. As a part of the programme , a course on the Basics of Astronomy was conducted by Shri Saket Singh Kaurav, PC , RSC Bhopal. This was followed by an evening Sky watch programme with telescope in which the visible planets like the Saturn and Venus were shown to the participants with finer details. A total of 30 teachers of different schools under Vidya Bharti organisation participated in the programme.

Vigilance Awareness Week

RSC Bhopal is now observing the Vigilance Awareness Week from Oct 28 to Nov3, 2024 in its premises. As a part of the programme , a Vigilance pledge was administered to all the staff members of the Centre by Shri Saket Singh Kaurav , PC , RSC Bhopal on October 28, 2024. In addition to this, a Slogan Drop Box programme and a Vigilance quiz will also be conducted amongst students and general public during the programme.

Test Your Experimental Skill

With a goal to promote experimental skill in science, RSC, Bhopal in collaboration with Bombay Association of Science Education (BASE) organized a one day test for students of MP on Oct 27, 2024. A total of 14 participants and 2 teachers from different local schools participated in the programme.

Special Swachhata Campaign 4.0 (Implementation Phase)

RSC Bhopal is now implementing the Special Swachhta Campaign 4.0 (Implementation Phase) from October 02 to 31, 2024 in its premises. As a part of the programme, special campus cleaning drives by staff members and weeding out of old office files were carried out by the staff members of the Centre. A total of 10 cleaning drives and 2 weeding out of office files will be carried out during this period.

Mobile Science Exhibition in collaboration with Rajya Shiksha Kendra, Bhopal

RSC Bhopal, in collaboration with Rajya Shiksha Kendra Bhopal, is now organizing an MSE programme under the title 'How Things Work' in the districts of Narsinghpur & Narmadapuram. A total of 13 schools were covered during the period. Apart from the Science Exhibition, Science Film shows and Science Demonstration Lectures are also being conducted at each site.

Mobile Science Exhibition in collaboration with Tribal Affairs Dept of MP Govt.

RSC Bhopal, in collaboration with the Tribal Affairs Dept, Govt of MP is now organizing MSE programmes with its two mobile units under the titles 'Energy' and 'Measurement' in the districts of Khandwa & Khargone and Dhar & Jhabua respectively through the outsourcing agency M/s Varnaaz

Technologies. A total of 12 schools were covered by each unit during the period. Apart from the Science Exhibition, Science Film shows and Science Demonstration Lectures are also being conducted at each site.

GOA SCIENCE CENTRE, PANAJI

1. Swachhata Hi Sewa Campaign

As a part of Swachhata Hi Sewa Campaign 2024 following programs were organized during the Implementation phase from 1.10.2024 to 31.10.2024:

I. Workshop on Making Hand Made Paper

A workshop on 'Learn to Make Hand Made Paper' was organized from 1.10.2024 to 2.10.2024. During the workshop students learnt to make handmade paper from old scrap paper. They also decorated the paper they made. In total 12 students participated.

II. Beach Cleaning Program

A beach cleaning activity was conducted by the staff and members of Innovation Hub at Miramar Beach on 2.10.2024. In total 22 staff and members participated.

III. Learn Science From trash Workshop

The Centre organized 4 learn science from trash workshops for the members of Innovation Hub on 6.10.2024, 13.10.2024, 20.10.2024 and 28.10.2024. Paper pulp modeling, fan cleaner using bottles, composting of garden waste and lantern from trash were the topics covered during the workshops. In total 129 members participated.

IV. Popular Science Lecture

A Popular Science Lecture on Goa Environment –Beauty & Richness was delivered by Shri Rajendra Kerkar, Board Member, Goa State Biodiversity Board on 9.10.2024. In total 158 students and teachers participated.

V. Workshop on composting of Garden waste

A workshop on composting of Garden waste was organised for the Girls and Women on 9.10.2024. During the workshop the participants learnt to prepare compost from garden waste and floral waste (Nirmalya). In total 8 girls & women participated.

VI. Street Play

A Street Play to create awareness on swachhata was organized as an outreach activity at the Miramar Beach on 10.10.2024. The Street Play was performed by the students of NGO Uzward and Dhempe College of Arts & Science. In total around 498 public were present.

VII. Spot Quiz

A spot quiz on Swachh Bharat Abhiyan was conducted for the visitors on 18.10.2024 and 26.10.2024. In total 88 general public participated.

VIII. Cleanliness Drives

Cleaning of the premises of the Centre was done on daily basis. Shramdan activity by the staff was also done on 10.10.2024, 21.10.2024, 24.10.2024 and 25.10.2024.

2. Popular Science Lecture on "When Worlds Collide"

As a part of World Space Week, a Popular Science Lecture on the topic when Worlds Collide was organized for the students, teachers and general public on 4.10.2024. The lecture was delivered by Prof. Nils Anderson, Gravity Group and STAG Research Centre Mathematical Sciences University of Southampton. In total around 142 attended the lecture.

3. Valediction and Prize of Mega Painting & Poster Designing Competition

The Valediction & Prize Distribution function of Mega Poster designing & Painting competition was organised in collaboration with Goa State Biodiversity Board, Goa on 9.10.2024. Shri Alexio Siqueira, Honorable Minister for Environment & Climate Change was the Chief Guest for the function. Shri Rajendra Kerkar, Board Member, Goa State Biodiversity Board, Dr. Pradip Sarmokadam, Member Secretary, Goa State Biodiversity Board and Shri Vilas Chaudhari, Project Coordinator, Goa Science Centre were the other dignitaries present on this occasion. The winners

of the Mega Painting and Poster Designing competition were awarded prizes on this occasion. In total around 142 students, teachers and parents were present.

4. Robotics Workshop

A certificate course in Robotics construction level 1 was conducted from 21.09.2024 to 20.10.2024 on every Saturday and Sunday. The workshop was in collaboration with Curious Mind, Goa. During the workshop the participants constructed various projects with the help of Kit provided. In total 18 students participate in the workshop.

5. National Youth Festival: State Level Thematic Project Competition

As a part of National Youth Festival, Goa State Council for Science & Technology, Saligao, Goa in association with Department of Science, Technology & Waste Management, Goa, Directorate of Sports & Youth Affairs, Panaji and Goa Science Centre, Miramar organized the State level thematic project competition on the theme 'Innovation in Science & Technology' on 16.10.2024 for the Engineering, Science college and Higher Secondary School students all over Goa. Shri Arvind Khutkar, Director, Directorate of Sports, Govt. Of Goa was the Chief Guest for the Prize distribution function. Smt. Synthia Sequeira, APO, Directorate of Sports, Govt. Of Goa, Dr. Mohan Girap, Scientist, Goa State Pollution Control Board, Shri Sanjay Mulvi, Head CIBA, Goa, Smt. Brenda Fernandes, Member Secretary, Goa State Council for Science & Technology, Saligao, Goa and Shri Vilas Chaudhari, Project Coordinator, Goa Science Centre were the other dignitaries present on this occasion. In total 21 projects were displayed by students and around 567 visitors visited the exhibition

6. Exposure Visit to Underprivileged Children in Goa Science Centre.

Free visit to total 17 Underprivileged children was arranged in October month. During their visit they were benefitted with guided tour to the galleries, 3D show and Planetarium show. Science kit and refreshments were also provided to the students.

7. Mobile science exhibition

The Centre organized mobile science exhibition in the Pernem taluka wherein the bus visited 9 schools in the month of October. Apart from science exhibition various other programs such as science demonstration and science film show were organized in the schools. Total 4065 students, teachers and general public visited the exhibition.

DISTRICT SCIENCE CENTRE, DHARAMPUR

1. Broom Making Workshop:

As a part of SHS 4.0, all staff members of District Science Centre participated in broom making workshop conducted by Shri Manilal Bhusara, former DEO, Valsad on October 01, 2024 to prioritize cleanliness and hygiene, aligning with the ideals of Mahatma Gandhi. 8 upright brooms were made during the workshop.

2. Swachhata Pledge:

As a part of SHS 4.0, all staff members and visitors to the District Science Centre took a pledge on October 02, 2024 to prioritize cleanliness and hygiene, aligning with the ideals of Mahatma Gandhi.

3. Swachhata Rally:

District Science Centre, Dharampur a unit of National Council of Science Museum, Ministry of Culture, Government of India participated in the Swachhata hi Seva 4.0 "Swabhav Swachhata-Sanskaar Swachhata" in collaboration with NSS unit of Vanraj Arts and Commerce College,

Dharampur, Dharampur Nagar Palika and Lok Mangalam Charitable Trust, Khoba. The rally started from the District Science Centre, Dharampur reciting slogans on Swachh Bharat and displaying placard on SHS 4.0 and followed a route that covered various locations and ended at Manhar Ghat. About 104 students participated in the rally.

4. Cleaning Bank of Swargvaahini River at Manhar Ghat:

On 2nd October 2024 in addition to cleaning the Science Center's premises, the NSS (National Service Scheme) students from Vanraj Arts and Commerce College, Dharampur and staff members of DSC, Dharampur also took the initiative to clean the area around Bank of Swargvaahini River at Manhar Ghaat, Dharampur contributing to the cleanliness and environmental well-being of the region. About 104 students participated in the cleaning drive. Centre demonstrated the seven-step technique of handwashing, emphasizing the importance of proper hygiene practices.

5. Wild Life Week Celebration:

Wild life week on theme "Exploring Digital Innovation in Wildlife Conservation" was celebrated by organizing various educational activities & programs during October 2, 2024 to October 8, 2024 at District Science Centre, Dharampur in collaboration with Range Forest Office, Dharampur and the Lady Wilson Museum, Dharampur.

Topics like Wild life protection act 1972, Wild life Crime, Human and wild life conflict, Importance of wild life, information about poisonous & non-poisonous snakes etc. were discussed during the program.

Open House Quiz on "wild life" were conducted on October 6, 2024 for students in which 32 students and teachers participated. Guided tour of Natural History gallery at the Lady Wilson Museum, Dharampur where the skeleton of Blue Whale and other stuffed animals are the main attraction of the gallery, Documentary telecast was also there for visitors. Dr. Indra Vats, Curator, the Lady Wilson Museum, Dharampur conducted the guided tour for the students. On October 7, 2024, Popular Science Lecture was given by Pragnesh Rathod, E.O.'B' DSC, Dharampur on the topic: "Importance of Forest and Wildlife" at Govt. ITI, Malanpada. About 750 students & faculties attended the lecture.

6. Exposure visit of Underprivileged Divyang Students:

Exposure Visit of 50 Underprivileged Divyang Children at District Science Centre, Dharampur from Girijan Andhjan Shala, Karanjveri, Ta. Dharampur, Dist. Valsad. Special guided tour was arranged in Science Park & gallery exhibits. Touch & Feel experience of exhibits and special session on hands on activities at innovation hub, DSC, Dharampur. 3D Show was also arranged for them. Kits & refreshments were provided to them.

7. Paper bag making workshop:

Paper bag making workshop held on October 10, 2024 at DSC, Dharampur. 16 students (10 boys, 6 girls) of Shri Nalanda Gurukul Vidyalaya, Magdalla, Surat had participated in the workshop.

8. Waste to Art:

As a part of SHS 4.0, Staff of DSC, Dharampur fabricated 14 artifacts like Space Shuttle Model, Monk Meditating under a Tree, Racing Car, Flower Pot with stand, Vintage bike, Anchor, Robot, Helicopter, Dining Table, Student bench, Bullock Cart, Open Jeep, Diesel tanker, Pen stand and displayed in a form of temporary exhibition at DSC, Dharampur

9. Workshop on Vermicompost

On 6th October 2024, an engaging vermicomposting workshop was organized at the Innovation Hub, District Science Centre, Dharampur, as part of the "Swachhta Hi Seva" campaign. A total of 35 students from New Kiran Career Academy actively participated in the event. Under the guidance

of Ms. Gayatri Bisht, Junior Mentor at the Innovation Hub, the students gained hands-on experience in creating vermicompost. This practical session aimed to promote sustainable waste management and environmental awareness among the participants. The workshop successfully demonstrated the importance of organic waste recycling through vermicomposting.

10. Robotics Competition at JECRC University, Jaipur

Students from the Innovation Hub at the District Science Centre in Dharampur excelled at Innov8, 2024, a techno-managerial competition held at JECRC University, Jaipur, from October 17 to 19, 2024. Competing against teams from across India, the Innovation Hub Team triumphed in the Robo Soccer event, securing the 1st prize out of 40 participating teams. This achievement highlights student's exceptional skills and innovative spirit in robotics and technology.

11. Pre-Diwali Candle Making Workshop

On October 25, 2024, Innovation Hub, District Science Centre, Dharampur, hosted a candle-making workshop for 26 under-privileged students from Kedi School, Nagariya, Dharampur. The workshop began with an introduction to basic candle-making techniques, including the use of wax, wicks, colors, and fragrances. Students actively participated, learning to melt and pour wax safely and creatively customize their candles with various colors and scents. The hands-on experience helped students understand scientific concepts like melting and solidification, while also emphasizing sustainable practices.

12. Rangoli Competition

On October 25, 2024, District Science Centre, Dharampur, organized a Rangoli competition under "Swachhata hi Seva 4.0" campaign for 26 students from Kedi School, Nagariya. The theme "Swachh Bharat", encouraged students to creatively express the importance of cleanliness and a green environment through their designs. Each participant showcased their artistic skills, using colors.

13. Vigilance Awareness Week.

From October 28 to November 03, 2024, District Science Centre, Dharampur, host a Vigilance Week program on the theme "Culture of Integrity for Nation's Prosperity". The program began with an oath-taking ceremony for all staff members. 14 staff members participated in this ceremony, affirming their commitment to upholding transparency and accountability. Special arrangement was made for visitors to take online Integrity Pledge at the Centre. Slogan writing contest (Drop Box) was organised during the event. Additionally, on October 29, 2024 an open-house quiz was conducted for visitors, engaging them in discussions and questions on the significance of integrity and ethical practices for a prosperous nation.

14. Mobile Science Exhibition on "Hygiene and Sanitation"

The District Science Centre, Dharampur organized Mobile Science Exhibition on "Hygiene and Sanitation" during Swachhta Hi Seva 4.0 campaign from 01.10.2024 to 15.10.2024, which included 06 sites - of Valsad district, with Swachhta selfie point, Pledge on Swachhata providing them with valuable information and insights into cleanliness and sanitation. Followed by film show, Session on anti-superstition program to eradicate superstition from society. In total, 1757 students general visitors visited the MSE bus on sites.
