No. NSCM: 17027/25/2023

1st June, 2023

From: The Director

To : The Principal

Sub: Organization of Teacher's Training Programme

Sir / Madam,

You may be aware about Nehru Science Centre Mumbai (NSCM). NSCM is a constituent unit of National Council of Science Museums (NCSM) under the aegis of Ministry of Culture, Government of India. NSCM is well known for its science popularization activities and programmes for students and teachers to make science learning as a fun-filled and easy to understand activity. One of such programmes is Teachers' Training Programme (TTP) for B.Ed./ D.Ed. students which is organised at least three times in a year. In this programme, participants are trained in designing and fabrication of low cost or no cost teaching aids and kits based on basic principles of science. These teaching aids will be useful for them as they can utilize these during the classroom teaching. The programme also includes guidance on setting up of a science club in school and orientation about the activities of this Science Centre.

The participants are also taken on guided visits to the different galleries & exposure to various other facilities at Science Centre. Thus, the programme is considered very useful for participants in enhancing their skill and knowledge using new techniques for effective teaching. We propose to conduct each TTP for a batch of 40 participants. The proposed dates are **19th to 23rd June 2023 and 26th to 30th June, 2023. The timings will be from 11.00 am to 4.00 pm daily.** Please note that amount of Rs. 500/- per student will be charged towards material cost.

You are requested to kindly confirm your participation at the earliest on our E-mail **nscm.edu@gmail.com**. In case, above dates are not convenient; kindly let us know the convenient dates as these are flexible. For any further details, please contact Shri. D. S. Dharmik, Education Officer, whose mobile number is +91 9833593192. Please feel free to contact him for any further clarification in this regard.

Thanking you,

Yours faithfully,

(Umesh Kumar)
Director, NSCM
