Instructions for Online Bid Submission

1. The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates (DSC). The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.
2. More information useful for submitting online bids on the CPP Portal may be obtained at <https://eprocure.gov.in/eprocure/app>

A. REGISTRATION

1. Bidders are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “**Online Bidders Enrolment**” on the CPP Portal which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.) with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidders may then log-in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

B. SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidders should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

C. PREPARATION OF BIDS

1. Bidders should take into account the original e-NIT/TENDER and any subsequent corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the documents that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidders, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for the bid submission process.

D. SUBMISSION OF BIDS

1. Bidders should log-into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidders will be responsible for any delay due to other issues.
2. The bidders have to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. A standard Price Schedule format (BOQ) has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the blue coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidders). No other cells should be changed. **In case no rate value is required to be quoted in any particular cell, that cell may be kept blank,**

figure '0' (zero) shall not be entered in such cell(s). Once the details have been completed, the bidders should save it and submit it online, without changing the file name. If the BOQ file is found to be modified by the bidders, the bid will be rejected.

4. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
5. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
6. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
7. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message and a bid summary will be displayed with the bid number and the date & time of submission of the bid with all other relevant details.
8. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

E. ASSISTANCE TO BIDDERS

1. Any enquiries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority.
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal helpdesk. The contact number for the helpdesk is 1800 233 7315.

2. SCOPE OF CONTRACT:

The successful bidder shall carry out and complete the works in every respect in accordance with this contract and in accordance with the directions of the officials and to the satisfaction of the officials of NSCM. The Officer in charge may from time to time issue **further written instructions, detailed directions and explanations in regard to:**

- (a) The variation or modification of the design, quality or quantity of works for the addition or omissions or substitution of any work.

- (b) Any discrepancy in the proposal or between the schedule of quantities and/or specifications.
- (c) The removal from the site of any material brought therein by the successful bidder and the substitution of any other materials there from.
- (d) The removal and/or re-execution of any works executed by the successful bidder.
- (e) The dismissal from the works of any persons employed thereupon.
- (f) The opening up for inspection of any work covered up.
- (g) The amending and making good of any defects.
- (h) The successful bidder shall comply with and duly execute any work comprising such instructions, detailed directions and explanations, provided always that if the Officer's instructions involved variations from the priced Schedule of Quantities, such instructions shall be issued by the NSCM and the successful bidder shall take appropriate action.
- (i) Even if not specifically mentioned in the schedule of quantities, the successful bidder shall be deemed to have allowed necessary material, labour, tools and plants etc. required for satisfactory completion of the items of work as indicated in drawings and description given in the specifications.

(j) Successful Bidder to Provide Everything Necessary:

The successful bidder shall provide everything necessary for the proper execution of the works according to the true intent and meaning of the specifications and bill of quantities taken together, whether the same may or may not be particularly described in the drawings or specifications or included in the bill of quantities, provided that the same is to be reasonably inferred there from and if he finds any discrepancy in the drawings or specifications and bill of quantities, he/she shall immediately refer the same to the Officer In charge who shall decide which shall be followed. Figured dimensions shall be followed in reference to scale.

- (k) Defect Liability Period:** The Defect Liability Period for the proposed work is **one year** post the actual satisfactory completion of the entire work in all sense as certified by the authorities of NSCM. Any defect noticed/pointed out to the successful bidder shall be promptly rectified within a reasonable time fixed by NSCM failing which the same will be rectified by NSCM departmentally or by engaging outside Agencies and the cost thereof shall be recovered from the successful bidder or adjusted from Security Deposit or any money due to him/her.

(l) Rates:

The rates quoted by the Successful Bidder shall be paid at net rates. She/He should include in her/his rates allowance for increase or decrease in the prices due to market fluctuation. He shall not be entitled to any separate amount on account of GST, other

taxes, Labour Cess, duties etc. which are in force or will be enforced or enhanced by Government or local bodies during contract period or after e-tendering. Accepted e-tender rates shall not be changed due to changes in wages of labour either. Please note that the payment for all the measurable quantities will be made as per actual measurement made jointly by both NSCM and the successful bidder.

The rates considered in the respective items are inclusive of the Defects Liability Period of 1 year post the actual satisfactory completion of the entire work in all sense.

(m) Quantities

The quantities have been given in a schedule of quantities.

The bidders shall be deemed to have given Balanced Rates for each item, irrespective of the quantities given. Also, irrespective of variation in quantities to any extent the bidder shall be paid at accepted contract rates only. **NSCM reserves the right to increase or decrease quantities to any extent.**

3. SCOPE OF WORK

NSCM desires to develop a Hall of Nuclear Power Gallery at Regional Science Centre & Science Park, Jaipur, using most modern digital gadgets and techniques and with interesting story telling using digital media, to the visitors of Jaipur, Rajasthan. The approximate area of the gallery will be 6000 sq.ft.(approx.). The scope of work, therefore, includes Interior Development including Exhibit Panelling, Electronic equipment fittings etc. **for this purpose.**

4. COMPLETION TIME

The project/work is to be completed in all respects within **60 (sixty) Days** from the date of issuance of the Work Order/LOI. In normal situation, the completion time will not be extended. However, the completion time may be extended, on the request of the successful bidder in writing, at the discretion of the competent authority of NSCM provided the reasons are reasonable and justifiable.

Major Components of the Scope of Work

- a. Fabrication of interior according to Gallery plan:** The placement of all exhibits as per final content/ list of exhibits (provided by NSCM) the successful bidder should fabricate the interior of the Gallery using the guideline specified in the NIT. Provision should be kept as far as possible to interchange the location of exhibits even after the mechanical fabrication is done. In one word the exhibit has to be independent of the outer layout as much as possible.
- 5. Electronic Equipment Fitting:** Successful bidder needs to fit all the necessary electronic gadgets and equipment including digital signage display units, touch monitors, interactive panels, speakers and subwoofers, VR headsets etc. on the exhibit cabinets/structures.

6. EARNEST MONEY DEPOSIT (EMD)

EMD: Rs. 1,93,700 /- (Rupees One Lakh Ninety Three Thousand Seven Hundred only) which should be submitted along with the tender by way of Demand Draft drawn in favour of "Nehru Science Centre" payable at Mumbai or online transfer to NSCM Bank Account as per details below:

- xiii. Notwithstanding anything contained herein above, in case of any dispute, claim and/or legal action arising out of this contract, the same shall be subject to the jurisdiction of courts at Jaipur/Mumbai only.

11. Termination of Contract:

If the Successful Bidder suspends the work without obtaining extension of time or in the opinion of the Authority of NSC Mumbai neglects or fails to proceed with due diligence in executing part of this contract or if he makes default in due performance of the contract as per the Technical Specification and Scope of Work or defaults in complying with any of the Terms & Conditions of the contract, the Competent Authority of NSC Mumbai shall have power to terminate the contract by giving a Notice in writing to the Successful Bidder specifying the act of default on the part of the Successful Bidder. After such Notice has been given, the Successful Bidder shall not be at liberty to remove from the site of work any plant or materials belonging to him which had been placed thereon for the purpose of the work and the NSC Mumbai shall have a lien upon all such plants and materials to subsist from the date of such Notice being given until the Notice has been complied with. In case of Termination of the contract, the Security Deposit whether paid in one sum or deducted by instalments shall stand forfeited and be absolutely at the disposal of the NSC Mumbai. The Successful Bidder shall have no claim or compensation for any loss sustained by him by reasons for his having purchased or procured any materials or entry into any engagements or made advances on account of or with a view to the execution of the work for the performance of the Contract. The Successful Bidder shall be entitled to be paid the value of work actually performed under the contract and so certified by the authority of NSC Mumbai.

12. FORCE MAJEURE

Neither the successful bidder nor NSCM shall be considered in default in performance of its obligations under the terms of this NIT, if such performance is prevented or delayed for any causes beyond the reasonable control of the party affected such as war, hostilities, revolution, riots, civil commotions, strikes, lockouts, epidemic, explosion, flood, earthquake or because of any law and other proclamation, regulations or ordinance of any government or sub-division thereof or because of any act of God or any other cause beyond the control of the concerned party which could not have been foreseen or avoided by the exercise of due diligence and so it becomes impossible to perform, provided notices in writing of any such cases, with necessary evidence that the obligation under this tender thereby affected or prevented or delayed is hereby given within 14 days from the happening of the event in case it is not possible to serve the notice within the said 14 days period, then within the shortest possible period without delay. As soon as the cause of Force Majeure has been removed, the party whose liability to perform its obligation has been affected shall notify the other party the actual delay occurred in such affected activity and resume the performance immediately.

The successful bidder shall not transfer wholly or partially the work to any other person(s) / firm / company for any reason whatsoever and in which case the order shall automatically stand cancelled.

13 Arbitration Clause:

All disputes and differences between the successful bidder and the NSCM of any kind, except quality of workmanship and materials, whatever arising out of or in connection with the order on the carrying out of the work (whether during the progress of the work or after

their completion and whether before or after the determination, abandonment or breach of the terms and conditions of the order) shall be referred to the sole arbitration of a person nominated by the Director General, National Council of Science Museums, whose decision in this regard will be final and binding on both the successful Bidder and the NSCM.

The provisions of the Arbitration and Reconciliation Act, 1996 or any statutory modification or re-enactment thereof and of the rules made there for the time being in force shall apply to arbitration's proceedings under this Clause.
